Information for Price Revision

We “YONEKYU CORPORATION.” announce the price revision for Ham, Sausage and Cooked Foods effective on April 1st 2024. Because the raw material costs, labor costs and logistics costs have increased continuously and it is difficult to cover by company low cost operation included production efficiency and previous price revisions.

We will continue our corporate efforts to further improve quality and reduce costs in order to continue delivering safe and reliable products to our customers. We appreciate your kind understanding.

■ Products for Price revision 70 items of Ham, Sausage and Processed Foods

(Details)

- 20 items of Consumer Ham & Sausage
- 20 items of Consumer Cooked Foods
- 30 items of Commercial products

■ Details of Price revision Weight change or Delivery price change
(Revision rate : about 2% ~25%)

■ Effective Dates April 1, 2024

We thank you for your understanding and support in helping us to grow alongside you. Please feel free to contact us with any questions.
